know what they were move to table the whole matter.

No Idle Men, Says Mills.

"We have no idle men at the pump house," responded Captain Mills, who enumerated the various kinds of machinery to be taken care of there, saying that not a man more than the force at the electric plant was employed, while there was three times the machinery at the pumping station. Mr. Mills also called attention to the emergency features of water pumping, saying that whether utilized or not, there is should always be in reserve for an energency of duplicate pumping power at —whether the electric plant was cally an always stand ready to furnish the power at the electric plant was cally an always stand ready to furnish the power at the electric plant was cally an always stand ready to furnish the power er for the full 12,000,000 gallons daily the er for the full the er

when not otherwise occupied.

Would Give Them Information.
Mr. Boschen thought the subcommittee had acted honestly with the light before it, and favored granting the conference asked for, that the Electricity Committee "might be given all the information it didn't have sumption enough to secure for itself." The vote on Mr. Boschen's substitute motion to grant the conference committee was rejected, 2 to 6, as follows.

Ayes.—Boschen, Huber.
Noes.—Adams, Butler, Gill. Mitchell, Powers, Mills.
The Adams motion to table was then adopted, 6 to 2, by the same vote.
